Many thanks to David and Fran Drenth for their many years of service at Gateway. They are headed to Word of Life Bible Institute, in New York, to prepare for full time ministry. May God bless their efforts!

Recent Email received:

Nicole, age 18, lives with her parents. She emailed us from Staten Island: “I am 18. I’m also 8-9 weeks pregnant. I have chosen not to have the baby because I’m beginning college in a few weeks. I was hoping you would have some information as to where I could find a free or less expensive safe location for it to be done.”

We wrote Nicole back informing her of the risks of abortion and the fact that there’s no such thing as a safe or free abortion. We encouraged her to call or write us back.

Kim, age 18, came to Gateway in April. Her intentions were to abort. After seeing *The Harder Truth* and *A Doctor Explains the Abortion Procedure*, she became, according to Irene, “very emotional and scared”. She feared what her mother would say about the pregnancy. After much encouragement, Kim told us that she intends to carry to term. She intends to move in with her father and will keep in touch.
